REFERRAL & ADMISSION SUMMARY

Home care with *clinical judgment* behind every plan.

A Sacred Heart Health provides personal care, medication management, companionship, and respite care to adults and medically complex children in Howard, Prince George's, Montgomery, and Anne Arundel counties. Every plan of care is designed and supervised by a Registered Nurse and overseen by a provider with more than 20 years of clinical experience in Maryland.

WHAT WE PROVIDE

- **Personal care:** bathing, dressing, grooming, toileting, eating, mobility, transfers, positioning.
- **Medication management:** administration by CMT or LPN under RN supervision, per physician orders; reconciliation and monitoring.
- **Companionship & homemaking:** engagement, light housekeeping, meals, errands, appointment accompaniment.
- **Respite care:** day, evening, overnight, and emergency relief for family caregivers.
- **Pediatric care:** plans developed with the family and the child's primary care provider.

WHO WE SERVE

- Seniors and aging adults
- Adults with physical disabilities or chronic illness
- Post-hospital and post-surgical clients
- People living with dementia or cognitive impairment
- Medically complex children and adolescents

WHY REFER TO US

- RN-designed and RN-supervised care on every case.
- Adults and medically complex children — one agency for the whole family.
- Caregivers are CJIS background-checked and OIG/SAM exclusion-screened before client contact.
- Focused on reducing avoidable readmissions and supporting safe discharges.
- Responsive admission: free in-home RN assessment and clear communication with the referral source.

PAYER SOURCES

- Private pay
- Maryland Medicaid waiver services (CFC, CPAS, Community Options), for clients who qualify
- Long-term care insurance

A Sacred Heart Health is not a Medicare-certified home health agency. Medicare generally does not cover non-skilled personal care, companionship, or respite.
